

VERMONT LEGAL AID

OFFICE OF THE HEALTH CARE ADVOCATE

The Office of the Health Care Advocate provides **free help** with questions or problems with health insurance or access to health care. **We help anyone who lives in Vermont.**

Farmers and farm workers often have unique health care circumstances: hard-to-predict income, risk of farm injuries, fewer doctors in rural areas, and limited time to navigate it all. The Office of the Health Care Advocate is here to offer support.
